"Use of the NIDUS Resources to Advance Research: A Real World Example" by Karin Neufeld, MD, MPH

March 25, 2021 at 12pm EST

Our next session will feature Dr. Karin Neufeld, and how she used NIDUS resources to advance her systematic review and meta-analysis on use of antipsychotics in delirium, published recently in Ann Intern Med. Dr. Dale Needham was the senior author, who will join as the Moderator/Discussant at this session. Join the NIDUS investigators and NIA in this important session that will help you advance your career.
