[NIDUS Delirium Research Hub](#) Leader, Dr. Ed Marcantonio, created a list of 10 Questions about the Hub. See the [the Questions](#).

The NIDUS Delirium Research Hub: 10 Questions

**Ten pertinent questions about accessing,
navigating, and entering studies into the Hub.**

New AGS Resource for Emerging Investigators

Are you a new or emerging investigator interested in including older adults with multiple chronic conditions in your research? The [AGS/AGING LEARNING Collaborative website](#) has all the tools you need.

**AGS | AGING LEARNING
COLLABORATIVE**
MULTIPLE CHRONIC CONDITIONS RESEARCH

[Home](#)[About ▼](#)[Core Curriculum ▼](#)[Podcast](#)[Webinars](#)[Connect ▼](#)[MCC Champions ▼](#)

The AGS/AGING Learning, Educating, And, Researching National Initiative in Geriatrics ("LEARNING") Collaborative, funded by the National Institute on Aging (NIA), aims to fill educational and training gaps in multiple chronic conditions (MCCs) research.

Delirium Research Hub Spotlight – Ben Palanca, MD, PhD

Posted on March 3, 2023 by nidus_delirium

Periodically, NIDUS features a Delirium Research Hub investigator as a Spotlight Investigator. This month, we feature Dr. Ben Palanca and the Protocol for Prognosticating Delirium Recovery Outcomes Using Wakefulness and Sleep Electroencephalography (P-DROWS-E) study.

Citing a published NIDUS blog post on your CV

When citing a NIDUS blog post on your CV, list it in a section entitled 'Other Non-Peer Reviewed Scholarship'. For the actual citation, list your name, blog title, organization (NIDUS), and the link to Blog. At the end, add 'invited blog' in brackets. This is the format suggested on the Harvard Med School CV template.

Example:

Sam Jones, My Delirium Blog Post, NIDUS, www.deliriumnetwork/my-delirium-blog-post.org (invited blog)

About NIDUS

NIDUS is a collaborative research network dedicated to spurring innovation and new advances in delirium research through development of new research and measurement resources, training opportunities, pilot funding and dissemination of information. It is funded through an award from the National Institutes of Health/National Institute on Aging (grant no. R33AG071744, PI: Inouye).

NIDUS © 2017. NIDUS is funded through grant no. NIA R24AG054259 (Inouye), *All rights reserved.*
