Welcome to NIDUS University!
NIDUS University is the one-stop shop for answers to ‘How To’ questions! NIDUS University makes it easier to identify pertinent NIDUS resources relevant to common types of research queries/projects, by organizing our resources into frequently asked questions. All NIDUS University resources and materials were developed by delirium research experts.

- How do I use the NIDUS Research Hub?
- How do I draft a career development grant or K-award?
- How do I choose and use a delirium instrument for my study?
