

**NIDUS**Network for Investigation of
Delirium : Unifying Scientists

Apply for a NIDUS II Pilot Grant

Letters of Intent Due Monday, February 5, 2024

Attention delirium researchers! NIDUS II will award **two pilot grants in the amount of \$40,000 each** for the 2024-2025 grant cycle. We've focused this Pilot Awards cycle on the inter-relationship of Delirium and Alzheimer's Disease and Related Dementias (AD/ADRD). We've also moved the LOI submission deadline to **Monday, February 5, 2024 at 5:00 PM ET**. *NOTE: We will not accept late or incomplete LOIs.*

- To learn more about our Pilot Awards, [watch our November 3, 2023 Info Session](#).
- Find all deadlines on our timeline on the [Pilots page](#) of the NIDUS website, as well as all [instructions and eligibility criteria](#) for LOIs and the full Pilot applications.
- For specific questions about Pilot Grants that aren't covered on the NIDUS website or info session, please contact nidus@hsl.harvard.edu.

Don't miss your chance to apply for a delirium research grant! Please submit your LOI as soon as possible. Also, please share this information with your colleagues who may be interested.

About NIDUS

NIDUS is a collaborative research network dedicated to spurring innovation and new advances in delirium research through development of new research and measurement resources, training opportunities, pilot funding and dissemination of information. It is funded through an award from the National Institutes of Health/National Institute on Aging (grant no. R33AG071744, PI: Inouye).
