Welcome to NIDUS University!

NIDUS University is the one-stop shop for answers to "How To" questions! NIDUS University makes it easier to identify pertinent NIDUS resources relevant to common types of research queries/projects, by organizing our resources into frequently asked questions. All NIDUS University resources and materials were developed by delirium research experts.

How do I use the NIDUS Research Hub?

How do I draft a career development grant or K-award?

How do I choose and use a delirium instrument for my study?

About NIDUS

NIDUS is a collaborative research network dedicated to spurring innovation and new advances in delirium research through development of new research and measurement resources, training opportunities, pilot funding and dissemination of information. It is funded through an award from the National Institutes of Health/National Institute on Aging (grant no. R33AG071744, PI: Inouye).

NIDUS © 2017. NIDUS is funded through grant no. NIA R24AG054259 (Inouye), *All rights reserved.*
