About NIDUS

NIDUS is a collaborative research network dedicated to spurring innovation and new advances in delirium research through development of new research and measurement resources, training opportunities, pilot funding and dissemination of information. It is funded through an award from the National Institutes of Health/National Institute on Aging (grant no. R33AG071744, PI: Inouye).

NIDUS © 2017. NIDUS is funded through grant no. NIA R24AG054259 (Inouye), *All rights reserved.*
