

AGS CoCare®: HELP GSA Special Interest Group Hospital Elder Life Program

Wednesday, October 7, 2024 1:00 - 2:30 PM ET
Virtual Meeting via [Zoom](#)

Join the discussion!

AGS CoCare®: HELP (Hospital Elder Life Program) is an innovative model of hospital care designed to prevent delirium and functional decline among older individuals in the hospital inpatient setting. AGS CoCare®: HELP uses interdisciplinary staff and targeted intervention protocols to improve patients' outcomes and provide cost-effective care.
