October 2024 NIDUS Blog Post

In this month's blog post, Mark van den Boogaard evaluates the performance of daily CAM-ICU-7 and ICDSC assessments relative to the Delirium Rating Scale Revised (DRS-R98) severity measure in the ICU setting. [Read the full post.](#)

Performance and Validation of Two ICU Delirium Assessment and Severity Tools: A Prospective Observational Study

Mark van den Boogaard, RN, PhD
Radboud University Medical Center, Nijmegen,
the Netherlands

<https://deliriumnetwork.org/blog/>

Mark your calendars for an engaging online workshop: *Taking the Next Steps to Implement AGS CoCare®: HELP*. On **Monday, December 2 from 2pm to 5pm ET**, hear firsthand from experienced HELP sites about their successful implementations, explore essential core protocols and resources providing age-friendly care, and participate in dynamic discussions with fellow participants.
