### Apply for the 2025 NIDUS Delirium Boot Camp!

Applications are now open for the 13th Annual NIDUS Delirium Research Boot Camp. This year's theme is *Researching the Delirium-ADRD Inter-Relationship: Innovation and Translation*.

To see eligibility guidelines, view the 2025 NIDUS Boot Camp application, and get tips for completing your application, visit: <https://deliriumnetwork.org/career-development/nidus-bootcamp/>.

# Applications are now open for the 2025 NIDUS Boot Camp!

**October 26-28, 2025**

The University of North Carolina at Chapel Hill

**Application deadline:**

July 7, 2025 at 5pm ET

## The Latest NIDUS Blog Post

In the most recent NIDUS blog post, Drs. John Devlin and Fritz Sieber discuss a recent NIDUS white paper. They highlight recommendations to advance delirium treatment trials in older adults that address key challenges and research gaps.

### JAMA Internal Medicine Calls for 2025-26 Editorial Fellowship Applications

JAMA Internal Medicine announces a call for applications for its 2025-26 Editorial Fellowship. JAMA IM will select three early-career faculty in Internal Medicine to participate in this 1-year fellowship. Applications are due on April 15th, 2025. Fellows will:

- receive mentorship from Internal Medicine Editors
- dedicate a minimum of 4 hours per week to fellowship-related activities (in addition to scheduled editor meetings)
- receive a small stipend in recognition of their contributions to the journal

### *About NIDUS*

NIDUS is a collaborative research network dedicated to spurring innovation and new advances in delirium research through development of new research and measurement resources, training opportunities, pilot funding and dissemination of information. It is funded through an award from the National Institutes of Health/National Institute on Aging (grant no. R33AG071744, PI: Inouye).
