Latest Blog Post: The IMPACT Act and Skilled Nursing Facilities

The Improving Medicare Post-Acute Care Transformation (IMPACT) Act was signed into law in 2014. The Act standardizes data collection and strengthens quality measurement in post-acute care. In the May 2025 blog post, Dr. Chan Mi Park discusses the IMPACT Act's influence on delirium prevalence in skilled nursing facilities (SNFs).

JAMA Network Peer Review Academy Applications Open July 7

Applications for the JAMA Network Peer Review Academy open on July 7. This nine-month program offers early-career researchers the opportunity to:

- Develop high-quality peer reviews
- Gain behind-the-scenes insight into the editorial process
- Learn directly from JAMA Network editors

To learn more, visit the [JAMA Network Peer Review Academy page](#) or email JAMAppeeracademy@jamanetwork.org.

Build your peer review expertise.

Applications open July 7.

About NIDUS

NIDUS is a collaborative research network dedicated to spurring innovation and new advances in delirium research through development of new research and measurement resources, training opportunities, pilot funding and dissemination of information. It is funded through an award from the National Institutes of Health/National Institute on Aging (grant no. R33AG071744, PI: Inouye).

NIDUS © 2017. NIDUS is funded through grant no. NIA R24AG054259 (Inouye), *All rights reserved.*
